To Whom It May Concern:

I am writing regarding Donald Flagg, who is the operator of *Crossing Over* residential treatment program in Fitchburg, MA. Mr. Flagg has an excellent reputation in the greater Fitchburg Area. Numerous clients of the Fitchburg Community Corrections Center have taken advantage of Mr. Flagg's program. The program works to help individuals develop the skills necessary to gain and maintain long term sobriety. *Crossing Over* has quickly become a valuable resource for many at risk individuals dealing with substance abuse issues. I regularly recommend and encourage many of the client's assigned to the Community Corrections Center to explore the benefits of the *Crossing Over* program.

On a personal note, Donald is a very responsible, professional person who is deeply committed to his program. He is extremely dedicated to working with and securing the safety and well-being of those who enter the program.

Should you have any additional questions or concerns related to this matter, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Mark Leary".
