Dear Mr. Flagg:

I am writing this letter to thank you for all your hard work and patience w/ Mr. Cochran. This was my first experience w/ the program, and having worked in the field of Criminal Justice for over 20 years, and working in the city of Fitchburg for over five years this was a very positive experience. Due to the significant increase in Opiate related overdoses and substance abuse on the rise there is a limited amount of services in the area that deal w/ inpatient treatment. Your communication and availability was very beneficial in our attempts to help Mr. Cochran. I believe there is a serious need for more services in the area to help treat individuals like Mr. Cochran and if they could emulate your philosophy and dedication to helping people it would be a great asset to the community. Thank You again for all your hard work, and I look forward to working with you in the future. Joe.
